Damage Appeals

**Summary/Purpose:**  This policy explains the appeal procedure students must use to request a refund on charges placed on their Bursar’s account for damage-related reasons.

Damage appeals are investigated and reviewed on an ongoing basis by at least two members of the Residence Life staff. Common-area damage charges cannot be appealed unless extenuating circumstances exist or the identity of the person(s) responsible is established.

Residents who wish to appeal charges placed on their student account may write a formal letter of appeal:
