Refund Checks

Summary/Purpose: The University of Mississippi Bursar’s policy on issuing payment for refunds of credit balances on student accounts.

Refund checks issued by the Office of the Bursar will either be direct deposited into a bank account of your choice or mailed to the individual’s billing address or the permanent address if there is no billing address identified. Refund checks cannot be picked up in person.

The University highly encourages students to use direct deposit. Some of the advantages of direct deposit are: processed daily, normally deposited to your bank account within the next 2 business days, mailing address problems are eliminated, and protection against theft or the loss of checks. Replacement checks will not be issued until 15 days after the date the original check was issued.

Please refer to the Office of the Bursar website at: http://www.olemiss.edu/depts/bursar/ for Direct Deposit Information. The Direct Deposit form is also available from the tellers in the Office of the Bursar at 202 Martindale.
