Delinquent Accounts

Summary/Purpose: The University of Mississippi Bursar’s policy on handling of delinquent accounts.

Regular student account balances and student loan balances are collected by the Bursar’s Office, and, if not paid, constitute a delinquent account. The University reserves the right to withhold re-admission and/or registration for future terms to a student until all delinquent amounts owed to the University have been paid. Diplomas and course transcripts are not issued for students whose accounts are delinquent. Delinquent accounts may be referred to a collection agency, in which case the account will be assessed all costs of collection, including attorney fees, whether or not a lawsuit is commenced as part of the collection process.
