Examinations

Regulations Governing All Examinations ● A student’s failure to appear for an examination without an acceptable excuse, absence from the room during the course of an examination without the consent of the examiner, or attempting any portion of an examination without submitting his or her answers shall result in failure of the examination. Tardiness beyond 15 minutes forfeits a student’s right to an examination.

Final Examinations ● Final examinations are scheduled at the end of each semester. The complete schedule of examinations for the next regular semester is distributed in the schedule booklet during the priority registration period. A student who has three or four final examinations in one day may arrange with the course instructor to take the noon or 7:30 p.m. examination at another time. In order to give a final examination at any time other than the time shown in the published examination schedule, an instructor must have prior approval of the department chair and dean.
