Summary/Purpose: This is Student Housing and Residence Life’s weapons policy. The policy lists a number of prohibited items that may be classified as weapons, and it also makes it clear that certain items that may not be inherently designed to be weapons, such as metal darts and laser pointers, are prohibited as well.

The possession of any dangerous instrument on campus is prohibited. These include, but are not limited to, any gun, rifle, pistol or other firearm (whether operable or inoperable, loaded or unloaded), dynamite cartridge, bomb, grenade, mine, incendiary or explosive device, BB gun, air rifle, air pistol, paintball gun, pellet gun, fireworks of any type, knife, dirk, dagger, slingshot, leaded cane, switchblade knife, blackjack, metallic knuckles, "nun-chucks", razor and razor blades (except solely for personal shaving) or any device which may readily be used as a weapon or to inflict or cause harm to any person or structure. Likewise, metal darts, dartboards and laser pointers are prohibited as well.

Any resident found in violation will be subject to disciplinary action, and possible legal action as well. Disciplinary action may include immediate removal from the residence halls and loss of all housing privileges. Students removed from the residence halls for disciplinary reasons will be responsible for the entire rental cost of the housing agreement period, both fall and spring semesters.
