Approval to Alter University Buildings

**Summary/Purpose:** Anyone wishing to alter, add to, or modify a University building and/or building on a University of Mississippi campus must first receive written approval from the Department of Facilities Planning and follow all approval/review procedures set forth in the Department of Facilities Planning Instructions to Design Professionals manual. This consists of all buildings including, but not limited to, Academic Buildings, Auxiliary Buildings, Athletic Buildings, Fraternity Houses, Sorority Houses, Service Buildings, Student Housing Buildings, etc.
