Alcohol

Summary/Purpose: Alcohol is not permitted in any residence hall or apartment on the University of Mississippi campus. This policy defines Student Housing and Residence Life’s expectations for visitors to on-campus housing.

The University of Mississippi abides by Mississippi State laws and statutes. Any student or visitor, regardless of age, may not possess or consume alcoholic beverages within or around on-campus housing.

Residents are not allowed to host people with alcohol regardless of the guest's age. The Department of Student Housing and Residence Life reserves the right to stop people from bringing alcohol into the building(s). Visitors may be asked to open all backpacks, bags, coolers and other containers when entering a residence hall. This procedure is a safety and security measure that prevents most of the unwanted or unauthorized materials from being brought into the halls. Visitors may be denied entrance if they choose not to cooperate with this request. Additionally, the Department of Student Housing and Residence Life reserves the right to deny access to individuals who exhibit drunk or disorderly behavior.
