Campaigning

Summary/Purpose: This policy outlines the expectations for candidate campaigning in the residence halls. This policy was developed by Student Housing and Residence Life in conjunction with the Residence Hall Association and the Associated Student Body.

The Department of Student Housing and Residence Life, in conjunction with the Residence Hall Association (RHA) and the Associated Student Body (ASB), have instituted a campaigning policy for the residence halls. This policy is intended to provide candidates with guidelines for soliciting votes. It is also intended to prevent unwanted solicitation, visitation, and escort violations, as well as the posting and distributing of campaign materials in non-approved locations.

A. The candidate, along with one other person, will be allowed to campaign in the residence halls only on the Wednesday and Sunday before the primary from 7-10 p.m. In the case of a runoff, a candidate, along with one other person, may campaign in the residence halls from 7-10 p.m. the Wednesday before the runoff.

B. The resident of a particular room must give permission in order for a candidate to hang a flyer on that resident's door. Further, there is to be no sliding of campaign material under doors of student rooms or any other type of random distribution of campaign materials.

C. Open forums may be held in the lobby of any residence hall at any time provided that the time and place are arranged and confirmed by the residence hall director.

D. Hanging of fliers in the windows of the residence halls and posting of fliers on the building directly or on the bulletin boards of the residence halls is prohibited.

E. In addition to prosecution by the ASB Elections Commission, violation of the items in this section are subject to prosecution by the RHA Judicial Council and possibly the UPD.

Candidates who choose to take part in the open campaign period in the residence halls identified specifically in section A above must follow these housing guidelines:

1. Candidates and their escorts must report to the front desk and identify themselves as candidates for an ASB election. Either the candidate or candidate's escort must be of the same gender as the building in which the candidate is campaigning.

2. Candidates and their escorts must sign in as visitors and remain together in the building at all times.

3. Candidates may go door-to-door during the assigned time period, but must officially "check out" at the front desk prior to 10 p.m.

4. Failure to properly check out by 10:00 p.m. will result in the submission of a formal campaign violation report to ASB.

5. No artificial noisemakers or amplified sound equipment will be permitted while touring the halls.

6. Each candidate and escort must have a clearly visible name tag providing his/her full name.

7. Campaigning on residence hall floors is not permitted outside of these established time frames.
