Electrical Outlets

Summary/Purpose: This policy defines the expectations for electrical outlet and extension cord use in residence hall rooms.

Each resident is responsible for the proper use and care of residence hall elevators. Residents are not to overload or force the doors of elevators. Unauthorized personnel are prohibited from entering the elevator shaft. Emergency call buttons are to be used only in case of an emergency. Students found tampering with, vandalizing, surfing, or misusing the elevator are subject to judicial action. Repairs to elevators can be extremely expensive and vandalism charges are routinely billed.
