Solicitation

Summary/Purpose: This policy defines the expectations for any selling or advertising in the residence halls.

Businesses, individuals, and organizations not specifically related to Student Housing and Residence Life must receive permission before selling or advertising items in the residence halls. Under no circumstances will door-to-door solicitation be permitted. If solicitation involves the sale of items, the Student Housing and Residence Life office must first grant permission.

Additionally, student rooms are not to be used for business purposes. This includes, but is not limited to, using a residence hall room to operate a babysitting, internet, or hair-care service, to sell cosmetics, magazines or kitchen items; or to offer any service in exchange for personal gain.
