Acceptance of Awards

**Summary/Purpose:** To accept and/or decline financial aid.

Annually, each student must electronically accept or decline his/her financial aid awards. This requirement is for all students regardless of the type of award being offered. Summer financial aid awards are accepted or declined separately from fall and winter/spring financial aid awards. To accept awards, students need to go to the Office of Financial Aid webpage located at the following link: [http://www.olemiss.edu/depts/financial_aid/](http://www.olemiss.edu/depts/financial_aid/) and click on Check Your Award Status. From there, students will log on to myOleMiss and select the appropriate term (Fall/Spring or Summer) and year.

By confirming his/her award, the student authorizes the Bursar’s Office at The University of Mississippi to apply proceeds from his/her financial aid in excess of allowable charges for tuition, fees, books, room, and board to other charges in his/her account balance. These charges may include but are not limited to pharmacy fees, prior year balances up to two hundred dollars, and late charges.
