Motor Oil Recycling

Summary/ Purpose: The Motor Oil Recycling Policy details the minimum requirements and procedures to recycle Used Oil through the Physical Plant Service Station.

Motor Oil Recycling

All persons on the Oxford Campus, including the residents of the University operated dormitories and apartments, the Faculty and Staff houses and apartments, and the residents of the Fraternity and Sorority Houses, are now responsible for collecting Motor Oil, and for ensuring proper disposal and handling of this material.

The Physical Plant Service Station (915)-7304 will collect used motor oil from all campus residents, at no charge. The service station will not pick up used oil. Please call the station or the Physical Plant (915)-7051 if you need additional instruction or directions.
