Mediation

Summary/Purpose: To provide a fair and unbiased means of resolving personal disputes.

In lieu of a hearing, matters involving personal disputes between students and/or organizations may be mediated, during which all parties involved proceed in a good faith effort to resolve the conflict on a basis that is fair and just for all parties. Once the parties agree to proposed solutions (e.g., sanctions, restitution, etc.), the resolution is confirmed in a letter. Failure by any party to accept and/or comply with the mediation resolution terms will result in the incident being forwarded through appropriate judicial channels.
